

CENTER PHILOSOPHY

MISSION STATEMENT

To offer compassion, hope, and help to individuals journeying through pregnancy by providing quality medical care, realistic alternatives to abortion, and Christ-centered support through our life-affirming care team.

By educating, equipping, and empowering all who walk through our doors, we seek to make an impact in our community and for the Kingdom of God.

STATEMENT OF FAITH

Hope Center believes:

- The Bible is the inspired, the only infallible, authoritative Word of God.
- There is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- In the deity of our Lord Jesus Christ, His virgin birth, His sinless life, His miracles, His vicarious and atoning death through his shed blood, His bodily resurrection, His ascension to the right hand of the Father, and His personal return in power and glory.
- That for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential, and that salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.
- In the present ministry of the Holy Spirit by Whose indwelling the Christian is enabled to live a godly life and to perform good works.
- In the resurrection of both the saved and the lost; they that are saved unto resurrection of life and they that are lost unto the resurrection of damnation.
- In the spiritual unity of believers in our Lord Jesus Christ.

STATEMENT OF PRINCIPLE

Hope Center:

- is an outreach ministry of Jesus Christ through His church. Therefore, Hope Center, embodied in its volunteers and staff, is committed to presenting the Gospel of our Lord to women and men during their pregnancy decision both in word and deed. In agreement with this purpose, those who labor as Hope

Center board members, directors, employees and volunteers are expected to know Christ as their Savior and Lord.

- is committed to providing clients with accurate and complete information about both prenatal development and abortion.
- is committed to integrity in dealing with clients, earning their trust and providing promised information and services. Hope Center denounces any form of deception in its corporate advertising or individual conversations with clients.
- is committed to assisting women and men to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women and men may face the future with hope and plan constructively for themselves, their families and their babies.
- does not discriminate in providing services because of age, race, income, nationality, religious affiliation, disability, color, sex, political beliefs or other arbitrary circumstances.
- does not recommend, provide, or refer for abortion or abortifacients.
- offers assistance free of charge at all times.
- is committed to creating awareness within the local community of the needs of those facing pregnancy decisions and the fact that abortion compounds human need rather than resolves it.
- does not recommend, provide, or refer single women for contraceptives.
(Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor or physician.)
- recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to other life-saving alternatives. Centers are independent from adoption agencies, relating to them in the same manner as to other helpful referral sources. Hope Center receives no payment of any kind from these agencies, does not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of Hope Center. Hope Center neither initiates nor facilitates independent adoptions.
